invites you to take part in the

**“Interdisciplinarity and Cooperation in
Cross-Border Research”
INTERNATIONAL CONFERENCE**
2-4 December 2021, Chișinău, Republic of Moldova

The Cross-Border Faculty, one of the most dynamic institutions of higher education at “Dunărea de Jos” University of Galați, has continually displayed an open attitude towards projects of cross-border cooperation, initiating and successfully implementing them, adding to the overall value of the academic scene of Galați.

On the same note, the scientific events that have taken place so far have entailed academic partnerships with other faculties and universities, both from Romania and from abroad. One of the valuable partners of the Cross-Border Faculty is “Bogdan Petriceicu-Hasdeu” State University of Cahul, Republic of Moldova, an institution of higher education of tradition, which shares the same academic values with us. Likewise, the University of Physical Education and Sport, “Ion Creangă” Pedagogical University, the Trade Co-operative University of Moldova in Chișinău, Republic of Moldova, represent equally valuable partners, having an impressive portfolio of research activities in various fields, initiating and carrying out projects on a national and international level.

The “Interdisciplinarity and Cooperation in Cross-Border Research” International Conference is, therefore, an event of international impact and it aims to reunite specialists in various fields who are interested in cross-border research and who will facilitate the proper environment for new discoveries in the targeted scientific fields.

The scientific papers within the conference will be presented both on site and online, with the mention that the mode of conducting this academic event could change according to the evolution of the pandemic.
